SUMMARY

Onboarding manager who runs the journey from contract handoff to launch and a clean transition to Customer Success. At Wix I ran up to ~25 concurrent onboardings and launched 25+ clients a month at 110% of implementation targets, while leading onboarding teams of up to 30. At Accelo I built sequenced implementation plans from sales handoff, deciding which systems to change and in what order. I track milestones and risks, escalate early, and hold internal teams and customers to their commitments.
