SUMMARY

Business operations and analytics leader with full operational accountability as a solo founder for the past two and a half years, building the operating cadence, reporting, and cross-functional systems a growing team typically relies on a business partner to hold together. Brings 15+ years of SaaS account and program management experience translating operational detail into clear priorities and decisions, plus daily hands-on use of AI tools to move faster, the same operating rhythm Deepgram is built around.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Break down manual operating workflows into agent architectures with custom logic that scores engagement signals and generates targeted, personalized outreach, applying AI and automation to improve day-to-day operational workflows.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable system output.
- Design self-improving loops and evaluation frameworks to monitor automation outputs, catching inconsistencies and continuously optimizing performance.
- Build performance dashboards tracking lead generation, funnel progression, campaign ROI, and pipeline velocity, delivering insights to executive leadership.
- Report performance on a regular cadence with actionable insights and strategic recommendations, backed by rigorous tracking across sales enablement, marketing, and operations.
- Document every client interaction, timeline, and deliverable in GoHighLevel, HubSpot, and Notion, keeping project records and commitments auditable across concurrent engagements.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Built rigorous campaign performance reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, delivering optimization recommendations and QBRs.
- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Advised partners on retention strategy, customer health metrics, and automated workflows, equipping them to communicate product value.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.
- Analyzed partner utilization and performance metrics to identify adoption gaps and recommend interventions that reduced churn.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Directly managed and developed a team of onboarding specialists for 2 years (a team of 20, later a team of 8), overseeing budgets, scope, and delivery for a high-value client portfolio.
- Drove team initiatives and process improvements for a brand-new Wix vertical that went from proof of concept to a profitable business line, contributing to hiring, onboarding, and training of new hires and developing sales training for tenured account executives.

Denver, CO

- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
- Escalated issues to leadership early and mitigated account-level risk with direct strategic guidance.
