SUMMARY

B2B SaaS Account Executive with a track record of exceeding quota and closing complex, multi-threaded deals across CRM and business software sales. Ranked top three in sales on a team of 8 to 15 reps at Accelo while quota roughly doubled, and closed six new-logo deals worth \$130K+ in bookings at Fetch & Funnel. Comfortable running a full sales cycle from prospecting through close, demoing technical products, and forecasting accurately. New to the construction and trades vertical specifically, but experienced selling technical, workflow-heavy software to skeptical, non-technical buyers.
