

Joshua Rotenberg

Solutions Engineering & Technical Pre-Sales | B2B SaaS

Arvada, CO • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Technical sales and solutions professional with 15+ years in B2B SaaS, running live product demos daily and translating complex software into solutions that technical and non-technical buyers both understand. At Accelo, scoped CRM/PSA solutions for agencies and professional-services firms, built sequenced implementation plans, and guided API integrations as a trusted advisor to C-suite clients, ranking top three in sales while quota doubled. Designs CRM, automation, and LLM-based agent systems hands-on (APIs, SQL, Python and JavaScript code steps), and routes structured customer feedback into product roadmaps.

PROFESSIONAL EXPERIENCE

Solutions Design & Automation (Founder & Strategic / Marketing Operations Lead) | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Run discovery with business owners to surface goals and operational problems, then design and scope the CRM and automation solution, writing proposals and SOWs.
- Architected a 20+ workflow GoHighLevel system with SMS and email covering lead routing, qualification, booking, reminders, onboarding, and reactivation.
- Integrate client CRMs and sites through Zapier, Make, and n8n, writing Python and JavaScript in custom code steps and SQL against BigQuery and Power BI data models.
- Design LLM-based agent workflows and translate non-technical stakeholders' ideas into precise prompts, agent logic, and technical configurations.
- Lead onboarding for new technology stacks, translating business requirements into configurations and training client teams hands-on.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Presented strategy and performance to multi-stakeholder client teams, translating data into recommendations and QBRs.
- Coordinated execution across internal departments as strategic lead for integrated digital programs.
- Represented Level Agency at industry events.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Ran daily product demos for prospective partners and customers, and represented Birdeye at tradeshow events.
- Guided customers through complex technical setup and configuration of reputation and marketing-automation software.
- Onboarded and trained 15-20 reseller partners, equipping them to communicate product value to their own customers, and retained all but one (~94% retention).
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Closed 6 new-client deals averaging ~\$22K each (~\$130K+ total) and led the sales team.
- Pursued a major northeastern U.S. banking prospect through to finalist stage.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Ran daily product demos while carrying a combined sales and implementation load, holding 120% of sales targets and 110% of implementation targets and launching 25+ clients per month.
- Developed sales training for tenured account executives and trained new hires as team lead of onboarding specialists (20, later 8).

- Defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture.

Account Executive (Technical Pre-Sales & Implementation Planning) | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Delivered live product demos daily to agency and professional-services buyers, tailoring each to the technical and operational stakeholders in the room.
- Sold and scoped Accelo's CRM and project-management platform to agencies and professional-services firms, with deep fluency in pipeline automation and workflow configuration.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team.
- Guided client onboarding, workflow design, and API integrations, advising C-suite executives on operational system design.
- Ranked top three in sales on a team that grew from 8 to 15 reps while quota roughly doubled, closing deals of \$20K and larger.
- Represented Accelo at tradeshow and events, built Zapier automations, and tracked customer issues through Zendesk.
