SUMMARY

Onboarding trainer and team lead who gets new hires ready to work to a consistent standard. At Wix I led remote onboarding teams of up to 30, ran weekly training sessions, workshops, and 1:1 coaching, helped hire and onboard new specialists, and developed sales training for tenured account executives. I've presented to groups of 50+ and built automated training sequences that cut onboarding friction. Healthcare exposure includes four years at Senior Directory, a company focused on healthcare for seniors, and channel work with healthcare-focused agencies at Birdeye.
