

Joshua Rotenberg

Cross-Functional Program & Operations Manager

Arvada, CO • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Operations and program-execution professional with 15+ years translating ambiguous business priorities into structured plans, owners, and timelines across marketing, CRM, and cross-functional delivery teams. Built and maintain 20+ production automation workflows end to end, coordinate concurrent workstreams for a multi-client portfolio, and keep decisions and follow-through documented so nothing depends on memory. Comfortable working across stakeholders with different priorities, escalating risks early, and building the repeatable operating rhythms that let a team move faster with less ambiguity.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Coordinate cross-functional workstreams across CRM, SEO, paid media, and content for a concurrent client portfolio, translating strategic priorities into scoped deliverables, owners, and timelines.
- Document every client engagement, workflow, and configuration decision in Notion, HubSpot, and GoHighLevel, keeping project records auditable and follow-through visible across concurrent engagements.
- Break down ambiguous business requirements into structured automation logic and implementation steps, acting as the translation layer between non-technical stakeholders and technical execution.
- Monitor 20+ production automation workflows for breaks between lead sources and downstream systems, identifying and resolving issues before they affect delivery.
- Build performance dashboards and deliver reporting on a regular cadence, surfacing risks, blockers, and recommendations rather than just activity.
- Identify process gaps and build repeatable operating rhythms, evolving how engagements are scoped, tracked, and delivered as the client portfolio grows.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Coordinated execution across inbound, paid media, and content workstreams as strategic lead, aligning internal departments and client stakeholders around shared priorities.
- Built reporting frameworks and led Quarterly Business Reviews that translated channel performance into leadership-ready updates on progress, risk, and next steps.
- Managed multi-stakeholder accounts across marketing and technology channels, keeping delivery on track and resolving feedback promptly to protect timelines.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Managed onboarding and technical setup for 15-20 reseller partners concurrently, standardizing communication workflows and training sequences to reduce friction and keep timelines on track.
- Tracked partner utilization and adoption data to identify risk and resource constraints early, escalating with recommended interventions rather than waiting for churn.
- Shared structured, high-priority feedback with Product and Engineering, keeping cross-functional partners aligned on dependencies affecting the roadmap.
- Retained all but one partner in the book (~94% retention) during tenure through proactive account management and clear follow-through.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Directly managed a team of onboarding specialists, standardizing process and QA checkpoints to keep concurrent client launches on schedule and accountable.
- Onboarded and launched 25+ clients per month while reaching 120% of sales targets and 110% of implementation targets, coordinating scope, budget, and delivery for each account.

- Drove process improvements and documentation for a new Wix vertical that moved from proof of concept to a profitable business line, including hiring and training new hires.
- Led onboarding and launch operations as primary point of contact, accelerating time-to-value through clear ownership and consistent follow-through.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, then handed structured specs to the delivery team to execute against.
- Guided client onboarding, workflow design, and API integrations, troubleshooting technical configuration directly with C-suite stakeholders.
- Escalated account-level risk to leadership early, with clear options and recommended paths forward.
- Advised clients on CRM adoption and scalable operating systems aligned to their growth stage and team structure.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Ran client accounts end to end at a performance-marketing agency, coordinating campaign execution, reporting, and cross-team communication.
- Built and refined internal processes that improved reporting accuracy and reduced handoff errors between sales and delivery teams.
