The Davey Tree Expert Company
Re: Regional Marketing Coordinator, Denver

Dear Hiring Team,

Local demand for a home-services business is won on a handful of things: a strong Google Business Profile, real reviews, paid search that brings in good leads instead of junk, and email that keeps customers coming back. That's the work I do every week at Solenzo for electrical, plumbing, and HVAC companies, and it maps directly to growing Davey's tree and plant health care business across the Denver market.

I also know how to support a sales team in the field. At Birdeye I trained 15 to 20 partners on review and listings tools and kept all but one, at Wix I trained onboarding teams of up to 30, and at Level Agency I managed paid media budgets for accounts spending $20K+ a month. At Accelo I supported client events and industry conventions.

I live in Arvada and know the Front Range market well. I'd welcome a conversation at 303-726-5037 or jrotnbrg@gmail.com.

Best,

Joshua Rotenberg
