

Joshua Rotenberg

Solutions Architect | Technical Implementation, Marketing Automation & AI-Driven Personalization

Arvada, CO (Remote) • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Technical implementation and marketing-technology consultant with 15+ years scoping, configuring, and launching complex SaaS solutions for B2B clients, including two years selling and scoping a CRM/PSA platform itself at Accelo and guiding API integrations as a trusted technical advisor. Personally designs, builds, and evaluates AI-driven personalization systems at Solenzo, architecting a digital-footprint scoring engine and a full lead-to-close automation stack. Comfortable translating marketing strategy into technical configuration and training clients through onboarding, evidenced by launching 25+ clients per month at Wix while holding 120% of sales and 110% of implementation targets.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable technical output.
- Architected and deployed a complete marketing-automation system, 20+ workflows spanning lead capture, tagging, and routing, lead qualification, appointment booking, and review-generation sequences.
- Built segmented outreach engines plus an automated prospect "audit" workflow that enrolled 180+ contacts, scoring each business's digital footprint to trigger personalized, data-driven outreach.
- Design self-improving loops and evaluation frameworks to monitor AI agent outputs and continuously optimize conversion rates.
- Identify and implement schema/structured data as part of technical audits, and install and configure Google Tag Manager on every site built.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations for internal and client teams.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Sold and onboarded partners on Birdeye's proprietary data-aggregator/listings-syndication solution, the backbone of the channel offer.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices to improve client traffic and conversion.
- Labeled and defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture across the team.

- Led onboarding and launch operations as team lead and primary strategic contact, delivering launches on time and accelerating time-to-value.

Account Executive | **Accelo**

Apr 2018 - Jul 2020

Denver, CO

- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, and pipeline automation.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Guided onboarding alongside implementation teams, troubleshooting workflow design and resolving technical challenges during setup.
- Built Zapier automations to reduce manual work across the sales process, hands-on automation-building experience that predates Solenzo by several years.
