SUMMARY

Technology solutions professional with 15+ years configuring, troubleshooting, and optimizing CRM and marketing-automation systems (GoHighLevel, HubSpot, Salesforce) for B2B clients, serving as the primary point of contact between business users, internal teams, and technical vendors. Deep hands-on experience with AI-driven automation and natural-language prompting, translating non-technical stakeholders' requirements into precise system configurations and workflows that hold up in production.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Configure and troubleshoot CRM and automation systems (GoHighLevel, HubSpot) for B2B clients, resolving setup issues and serving as the primary point of contact for technical problems.
- Translate non-technical stakeholders' requirements into precise, structured system configurations and AI prompts, bridging business intent and technical execution.
- Architect and deploy a complete GoHighLevel automation system spanning 20+ workflows, applying natural-language prompting and AI-assisted logic to automate lead qualification, routing, and follow-up.
- Design self-improving evaluation frameworks to monitor automated system outputs, catching drift and configuration issues before they affect end users.
- Document system configurations, workflows, and client interactions in GoHighLevel, HubSpot, and Notion, keeping records auditable across concurrent implementations.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Guided customers through complex technical setup and configuration of marketing-automation and reputation-management tools, serving as the point of contact between business users and the vendor's Product and Engineering teams.
- Collaborated with Product and Engineering to share structured, high-priority feedback informing platform improvements.
- Developed scalable communication workflows and automated training sequences that reduced onboarding friction and support burden.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, then handed them to the implementation team to execute.
- Guided client onboarding, workflow design, and API integrations, resolving technical challenges during setup.
- Sold and scoped complex CRM and project-management software to agencies and professional-services firms.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Directly managed and developed a team of onboarding specialists, overseeing technical configuration, budgets, scope, and delivery for a high-value client portfolio.
- Led onboarding and launch operations as primary technical contact, delivering configurations on time and accelerating time-to-value.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Managed integrated digital marketing strategies as strategic lead, coordinating execution and analysis across internal departments and external partners.
- Held delivery quality consistent across implementations, resolving issues promptly to protect satisfaction and retention.

Remote

- Ran client accounts end to end at a performance marketing agency, covering implementation, reporting, and cross-team communication.
- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.
