

Joshua Rotenberg

Partner Integrations & Technical Account Leader

Denver Metro, CO • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Partner integrations and technical account leader with 15+ years across SaaS, MarTech, and platform-partnership environments, owning integration implementation end to end. Translates technical concepts — API integrations, CRM/CMS connections, and loyalty and marketing-automation platforms — into business solutions for external technology partners, and drives high-visibility launches in close partnership with product and engineering. Detail-oriented program manager and analytical problem-solver who serves as the day-to-day face of the integration to partners while capturing every requirement for both business and technical stakeholders.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Integrations Operations Lead | Solenzo LLC

Feb 2024 – Present

Denver Metro, CO

- Build and operate integrations connecting client CRM and CMS platforms via APIs, standing up reusable automation infrastructure and internal tooling that runs as always-on growth engines.
- Lead end-to-end implementation for new technology stacks — translating business requirements into technical configurations, scoping the integration, and providing hands-on training and launch support.
- Decompose manual, multi-system workflows into agent architectures with custom logic, then design self-improving evaluation loops that monitor outputs and continuously optimize performance.
- Serve as the primary strategic and day-to-day contact for a portfolio of B2B clients, leading discovery to understand goals, objectives, and market challenges before scoping a solution.
- Partner directly with business owners and cross-functional teams to align integrations and programs with revenue objectives, ensuring consistent execution and qualified outcomes.
- Build performance dashboards and analyze complex operational datasets, synthesizing results into structured insights and recommendations that drive prioritization.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Owned onboarding, implementation, and training across a diverse, high-volume partner network, driving rapid adoption of marketing-automation and reputation-management integrations.
- Served as the external-facing technical advisor, guiding partners and customers through complex product setup and helping them operationalize and communicate product value.
- Collaborated with Product and Engineering to translate structured, high-priority partner feedback into roadmap inputs and process improvements.
- Built scalable communication and automated product-training workflows that reduced onboarding friction and time-to-launch.
- Analyzed partner utilization and performance metrics to surface adoption gaps and recommend interventions that reduced churn.

Account Executive / Client Strategist | Level Agency

Sep 2024 – Feb 2025

Remote

- Led multi-stakeholder accounts spanning marketing and technology channels, acting as strategic lead and coordinating execution across internal departments.
- Built rigorous performance-reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, translating data into optimization recommendations and QBRs.
- Ensured consistent, high-quality delivery across implementations, addressing partner feedback promptly to maintain satisfaction and retention.

Account Executive | Accelo

Apr 2018 – Jul 2020

Remote

- Scoped and implemented complex CRM and project-management software for agencies and professional-services firms, guiding onboarding, workflow design, and API integrations.

- Built trusted-advisor relationships with C-Suite executives on operational system design, helping clients build scalable, integrated systems aligned to their growth stage.
- Partnered with implementation teams to troubleshoot workflow and integration design, resolving technical challenges and de-risking launches.
- Owned issue escalation, strategic guidance, and account-level risk mitigation across a portfolio of technical accounts.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

Remote

- Directly managed and developed a team of onboarding specialists, overseeing scope and delivery for a high-value client portfolio and serving as primary strategic contact for on-time launches.
- Managed accounts across diverse verticals, contributing to a 30% increase in website traffic and 25% improvement in conversion rates across the e-commerce segment.
- Led digital growth consultations aligning site architecture, inbound strategy, and best practices to accelerate client time-to-value.

Account Executive | Fivestars

2017 – 2018

Remote

- Ran full-cycle sales for a loyalty and marketing-automation platform serving SMB merchants, from prospecting and qualification through customer acquisition.
- Developed consultative instincts around merchant retention, loyalty program adoption, and technology onboarding.
