Arvada, CO (Remote) • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Customer-facing SaaS professional who has spent years helping small service businesses get value from software: answering how-to questions, fixing setup and access problems, and walking less technical owners through it by phone. Retained all but one of 15-20 partners at Birdeye and onboarded 25+ clients a month at Wix. Documents every interaction so the next person can pick it up cold, and uses AI assistants daily to research faster and write clearer notes and guides.
