SUMMARY

Customer success and sales operations professional with 15+ years in B2B SaaS, built around keeping existing accounts on contract and growing. At Birdeye I ran a reseller channel of 15-20 partners (deals ~\$10K-\$45K) in Salesforce and retained all but one (~94%). At Fetch & Funnel I worked sales operations, tightening reporting and cutting handoff errors. Across every role I keep CRM records clean and current, so leadership can see where every account stands without asking.
