SUMMARY

Onboarding and implementation lead who gets small-business owners live and confident on new software. At Wix I carried up to ~25 concurrent onboardings and launched 25+ clients per month at 110% of implementation targets and 120% of sales targets. At Birdeye I onboarded and trained a high-volume partner network and retained all but one of 15-20 (~94%). Before my SaaS career I spent 15+ years cooking in restaurants, so I know how a kitchen and a dining room actually run during service.
