SUMMARY

Marketing operations builder with 15+ years across SaaS, agency, and service-business environments, including 5+ years architecting CRM and marketing-automation systems end to end. Built and maintain 20+ production automation workflows (lead capture, routing, qualification, booking), run technical SEO audits and CMS-level fixes, and track performance through GA4 and campaign attribution. Comfortable as the technical liaison between marketing/SEO stakeholders and delivery, translating requirements into implementation tickets, documenting configurations, and troubleshooting breaks in lead-routing and tracking systems across multiple concurrent client accounts.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Architect and maintain 20+ production GoHighLevel automation workflows spanning lead capture, tagging, routing, qualification, appointment booking with confirmation/reminders, no-show recovery, and post-sale nurture, monitoring and repairing broken automations between lead sources and downstream systems.
- Run technical SEO audits, keyword-gap analysis, and competitor research, implementing on-page fixes (metas, alt tags, robots.txt, on-site improvements) directly inside client CMS platforms.
- Track and validate lead-source and conversion accuracy using GA4 and CRM analytics across concurrent client accounts, reconciling reporting against ad-platform data to catch tracking discrepancies.
- Document CRM architecture, workflow logic, and client-specific configuration quirks in Notion and HubSpot, keeping project records auditable across concurrent engagements and enabling clean handoffs.
- Translate non-technical stakeholders' requirements into precise, structured automation logic and implementation steps, acting as the bridge between business intent and technical execution.
- Built an automated prospect-audit workflow that enrolled 180+ contacts, scoring each business's digital footprint and site health to trigger personalized outreach and follow-up.
- Design and deploy CRM architecture, contact segmentation, and lifecycle-stage logic across GoHighLevel and HubSpot, applying consistent data-hygiene protocols across every build.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Onboarded and managed 15-20 reseller partners (deal sizes ~\$10K-\$45K), retaining all but one (~94%) during tenure, guiding each through technical setup and configuration of reputation-management and marketing-automation tools.
- Developed scalable communication workflows and automated product-training sequences that reduced onboarding friction and shortened time-to-adoption for new partners and their end customers.
- Served as frontline technical support for partner-facing product issues, triaging configuration problems and escalating structured, high-priority feedback to Product and Engineering.
- Analyzed partner utilization and adoption metrics to identify workflow breaks and configuration gaps, recommending fixes that reduced churn.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets across a combined sales-and-implementation role.
- Led digital-growth consultations aligning site architecture, on-page SEO, and technical setup, contributing to a 30% increase in website traffic and 25% improvement in conversion rates across the e-commerce segment.
- Guided new-brand and new-vertical launches from proof of concept to live production accounts, documenting configuration quirks and building the onboarding process used by the rest of the team.

- Directly managed and trained a team of onboarding specialists, standardizing technical setup steps and QA checkpoints across concurrent client launches.
- Drove team initiatives and process documentation for a brand-new Wix vertical that went from proof of concept to a profitable business line, including hiring and training new hires.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, then handed structured specs to the implementation team to execute against.
- Guided client onboarding, workflow design, and API integrations for CRM and project-management software, troubleshooting technical configuration issues directly with C-suite stakeholders.
- Ranked top three in sales on a team of 8 to 15 reps for nearly the full tenure while quota roughly doubled, closing deals of \$20K and larger later in tenure.
- Advised clients on CRM adoption and scalable system design aligned to their growth stage, escalating account-level technical risk to leadership early.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Ran client accounts end to end at a performance-marketing agency, covering campaign execution, tracking accuracy, and cross-team communication.
- Built and refined internal reporting processes that improved data accuracy and reduced handoff errors between sales and delivery.
- Closed 6 new-client deals averaging ~\$22K each, including several above \$25K, for roughly \$130K+ in total bookings.
