SUMMARY

Implementation and onboarding specialist who takes clients from sales handover through go-live and keeps them running after. At Wix I launched 25+ clients a month, up to ~25 at once, at 110% of implementation targets. I've set up and worked in Stripe, walked clients through invoicing and billing workflows at Accelo, and debug integrations myself through webhooks, REST APIs, and JSON. I track every requirement, blocker, and follow-up until it's closed.
