SUMMARY

Operations specialist with 15+ years supporting sales, onboarding, and account management in B2B SaaS, including CRM-based deal coordination, cross-functional stakeholder communication, and process improvement. Builds and maintains Salesforce and HubSpot workflows to keep complex, multi-stakeholder processes moving on deadline, and has advised clients directly on budget planning, account documentation, and deal cycles. Comfortable being the point of contact who keeps a deal, renewal, or onboarding process on track as priorities and stakeholders multiply.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Own the primary strategic relationship for a portfolio of service-based businesses, running discovery and onboarding to surface client goals, objectives, and market challenges.
- Architect and implement complex CRM systems in GoHighLevel (primary) and HubSpot — contact segmentation, lifecycle stages, and strict data-hygiene protocols.
- Identify strategic opportunities to expand retainer scope, recommending and scoping complementary services aligned with client objectives.
- Document every client interaction, timeline, and deliverable in GoHighLevel, HubSpot, and Notion, keeping project records auditable across concurrent engagements.
- Managed up to 3 concurrent client engagements at peak, coordinating competing priorities and deadlines while personally building and running each client's operational systems.

Account Executive / Client Strategist | Level Agency

Sep 2024 – Feb 2025

Remote

- Advised client businesses on ad-spend budget planning and allocation across paid campaigns.
- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations.
- Held delivery quality consistent across implementations, resolving client feedback promptly to protect satisfaction and retention.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Onboarded and managed 15–20 reseller partners (deal sizes ~\$10K–\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure, managing the pipeline and account records in Salesforce.
- Advised partners on retention strategy, customer health metrics, and automated workflows, equipping them to communicate product value.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 – Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, coordinating campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.
- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Labeled and defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture across the team.
- Directly managed and developed a team of onboarding specialists for 2 years — a team of 20, later a team of 8 — overseeing budgets, scope, and delivery for a high-value client portfolio.

- Advised on A/B testing strategy for a Salesforce-based workflow-automation effort, defining test structure and success criteria for the team building it.

Account Executive | Accelo

Apr 2018 – Jul 2020

Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, and pipeline automation.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Escalated issues to leadership early and mitigated account-level risk with direct strategic guidance.
