SUMMARY

Local SEO specialist with 4 years of hands-on SEO experience rooted in Google Business Profile and local-listings work. At Solenzo, GBP setup and optimization is the first deliverable in every client engagement; at Birdeye, selling and onboarding partners onto a proprietary data-aggregator/listings solution was the backbone of the offer, and the start of my career in local search. Backs that with technical SEO depth (Screaming Frog, schema, Ahrefs, Semrush) and 15+ years owning client relationships end to end.
