SUMMARY

Customer success and account management professional with 15+ years in B2B SaaS, carrying retention and revenue numbers for SMB customers. Retained ~94% of a partner book at Birdeye and onboarded hundreds of small businesses at Wix (25+ a month for two years). Builds the lifecycle programs that reach every account (segmented sequences, onboarding and reactivation workflows in HubSpot and GoHighLevel), and works daily with Claude to break down exports, draft campaigns, and make sense of messy data. Works directly with HVAC, electrical, and plumbing contractors today, and talks to owners in plain terms.
