SUMMARY

Technical training and onboarding professional with 15+ years turning complex business software into training programs, documentation, and hands-on instruction that end users of varying technical experience can act on. Has developed sales and onboarding training curricula, led live and virtual technical onboarding for individual clients and high-volume partner networks, and built the user guides, workflow documentation, and reference materials that support them. Comfortable translating subject-matter expertise into structured training content and providing follow-up technical support after delivery.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Lead end-to-end onboarding for new technology stacks, translating business requirements into technical configurations and providing hands-on training.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured specifications, acting as the bridge between business intent and reliable technical execution.
- Write and publish thought leadership content, newsletters, and educational guides on systems architecture, CRM optimization, and operational workflows for B2B audiences.
- Document every client interaction, timeline, and deliverable across GoHighLevel, HubSpot, and Notion, keeping project and process records auditable across concurrent engagements.
- Architect and implement complex CRM systems in GoHighLevel and HubSpot, including contact segmentation, lifecycle stages, and strict data-hygiene protocols.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations for audiences with varying technical fluency.
- Held delivery quality consistent across implementations, resolving client feedback promptly to protect satisfaction and retention.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Led onboarding and training for a diverse, high-volume partner network, driving rapid adoption of marketing automation and reputation management solutions.
- Onboarded and managed 15-20 reseller partners (deal sizes ~\$10K-\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure.
- Guided customers through complex technical setup and configuration of reputation and marketing automation tools, then provided ongoing technical assistance.
- Developed scalable communication workflows and automated product-training sequences that reduced onboarding friction.
- Analyzed partner utilization and performance metrics to identify adoption gaps and recommend interventions, incorporating findings back into training and onboarding.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Ran client accounts end to end at a performance marketing agency, covering campaign execution, performance reporting, and cross-team communication.
- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Drove team initiatives and process improvements for a brand-new Wix vertical that went from proof of concept to a profitable business line, contributing to hiring, onboarding, and training of new hires and developing sales training for tenured account executives.
- Directly managed and developed a team of onboarding specialists for 2 years - a team of 20, later a team of 8 - overseeing budgets, scope, and delivery for a high-value client portfolio.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices, translating technical concepts for clients across a range of experience levels.

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and coordinated with the implementation team on delivery.
- Guided onboarding alongside implementation teams, troubleshooting workflow design and resolving technical challenges during setup.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
