SUMMARY

Mid-market SaaS Account Executive with a full-cycle sales background (top three of 8-15 reps at Accelo, quota roughly doubling over tenure) and hands-on AI systems experience most sellers only talk about. Builds and runs the AI-driven outreach, lead-scoring, and automation workflows that generate pipeline, has sold and configured API-driven, integration-heavy software into technical, multi-stakeholder organizations, and is comfortable building the playbook rather than inheriting one.
