SUMMARY

Customer success and account leader with 15+ years in B2B SaaS who builds and tunes AI agents hands-on. As founder of Solenzo, designs LLM-based agent workflows, translates business owners' goals into precise prompts and agent logic, and evaluates AI output against rubric-based standards. Retained ~94% of a 15-20 partner book at Birdeye by tracking utilization and catching risk early, onboarded 25+ clients a month at Wix at 110% of implementation targets, and advised C-suite clients at Accelo while ranking top three in sales. Runs structured discovery, business reviews, and value reporting tied to measurable outcomes.

PROFESSIONAL EXPERIENCE

AI Automation Lead (Founder & Strategic / Marketing Operations Lead) | [Solenzo LLC](#)

Feb 2024 - Present | Arvada, CO (Remote)

- Break manual workflows into AI agent architectures with custom logic that scores a business's digital footprint and generates personalized outreach.
- Translate non-technical stakeholders' loosely defined goals into precise prompts and agent instructions, acting as the bridge between business intent and reliable LLM output.
- Evaluate AI-generated responses in client automation systems and built rubric-based grading criteria to score outputs against defined standards.
- Built a 20+ workflow SMS and email automation system and track ROI and funnel results in dashboards for each client.
- Run discovery with business owners, define measurable goals, and expand accounts through proposals and SOWs.
