## SUMMARY

---

SMB SaaS seller and team leader with 15+ years in sales, onboarding, and account management, including back-to-back team lead roles at Wix and Fetch & Funnel. At Wix, led a team of 20 (later 8) for two years, helped hire and train new team members, and built sales training for tenured account executives on a new vertical that went from proof of concept to profitable, while personally holding 120% of sales targets. Ranked top three in sales at Accelo on a team that grew from 8 to 15 reps while quota roughly doubled, so I know what separates a top rep from the middle of the board. Coaches to a repeatable process: clean pipeline, honest forecasts, and consultative selling that ties the product to the customer's revenue.
