SUMMARY

Implementation and client onboarding lead with 15+ years across SaaS, agency, and operations roles, taking clients from signed contract to live, validated systems. At Wix, onboarded and launched 25+ clients per month at 110% of implementation targets and led a team of 20 onboarding specialists. At Accelo, scoped CRM and project-management implementations, built sequenced implementation plans, and supported API integrations and workflow design. Configures platforms hands-on (Salesforce, HubSpot, GoHighLevel, Zapier/Make/n8n), defines data fields and mappings, tests workflows before go-live, and documents every decision so the operations handoff is clean.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Lead end-to-end implementations of new technology stacks, gathering client requirements and translating them into platform configuration, integrations, and hands-on user training.
- Configured and deployed 20+ integrated workflows in GoHighLevel and HubSpot, including lead routing, booking, and data sync, testing each workflow end to end before activation.
- Build integrations across CRMs and tools in Zapier, Make, and n8n, including custom Python and JavaScript code steps to map and transform data between systems.
- Maintain contact segmentation, lifecycle stages, and strict data-hygiene protocols so client data stays complete and validated.
- Document every interaction, timeline, configuration, and deliverable in Notion and the CRM, keeping project records auditable across concurrent implementations.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Coordinated multi-department delivery for multi-stakeholder accounts, keeping implementation quality consistent and resolving client feedback quickly.
- Built reporting frameworks and ran QBRs, translating performance data into recommendations.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Guided customers through complex technical setup and configuration of listings-syndication, reputation, and marketing automation tools across a 15-20 partner network.
- Ensured every partner's end customer had an accurately configured local-listings data presence, the core of the product offering.
- Built automated onboarding and product-training sequences that reduced onboarding friction, retaining all but one partner (~94% retention).
- Delivered structured, prioritized implementation feedback to Product and Engineering, and tracked accounts in Salesforce.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Built internal processes that improved reporting accuracy and reduced handoff errors between sales and delivery, managing workflows and tasks in ClickUp.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 110% of implementation targets and 120% of sales targets.
- Led a team of onboarding specialists for two years (20, later 8), overseeing budgets, scope, and delivery for a high-value client portfolio.

- Labeled and defined the CRM fields required for onboarding and outbound workflows in Salesforce, standardizing data capture across the team.
- Advised on A/B test structure and success criteria for a Salesforce workflow-automation effort.
- Delivered launches on time as primary contact, accelerating time-to-value.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Scoped CRM and project-management implementations for agencies and professional-services firms, building sequenced implementation plans that ranked which systems to change and in what order, then handing them to the implementation team.
- Guided client onboarding, workflow design, and API integrations alongside implementation teams, troubleshooting technical issues during setup.
- Escalated implementation risks to leadership early and built Zapier automations along the way.

Co-Owner / Operations Lead | Standing Akimbo

Jun 2010 - Sep 2012

Denver, CO

- Built operational infrastructure from scratch for a state-licensed, regulated business: compliance systems, intake processes, reporting, and vendor and supplier workflows.
