SUMMARY

Onboarding and customer success lead who takes a customer from signed contract to live and stays on the account after. Managed up to ~25 concurrent onboardings and launched 25+ clients a month at Wix at 110% of implementation targets, and retained ~94% of a 15-20 partner book at Birdeye by watching performance data and following up when a partner fell behind. Keeps many-stakeholder projects organized and visible, hands off cleanly between teams, and fixes the process instead of working around it. Works daily in Salesforce, Google Workspace, and Excel.
