SUMMARY

Strategic customer success and account management professional with 15+ years in B2B SaaS, most of it serving small and mid-sized businesses. At Birdeye I managed a reseller channel of 15-20 partners (deals ~\$10K-\$45K), used utilization signals to flag at-risk accounts early, and retained all but one (~94%). At Wix I launched 25+ clients per month at 110% of implementation targets and drove a 25% conversion improvement across supported accounts. At Accelo I built relationships with C-suite executives as a trusted advisor on operational systems and adoption.
