Arvada, CO (Remote) • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Marketing operations professional with 15+ years across agency and B2B SaaS environments, including hands-on Google Tag Manager implementation, GA4 conversion tracking, and pixel setup across Meta and Google Ads. Builds and audits the tracking-to-CRM handoff directly, architecting GoHighLevel, HubSpot, and Salesforce systems that receive and route lead data from paid campaigns, the same measurement chain a B2B advertiser depends on from ad click to CRM. Manages Google Ads campaigns end to end, reports performance against CTR, conversion rate, and cost-per-lead, and has served as the technical point of contact between media, analytics, and client teams on tagging, tracking, and QA.

PROFESSIONAL EXPERIENCE

Founder & Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Install and configure Google Tag Manager on every client website, implementing GA4 event and conversion tracking and troubleshooting tracking breaks as sites and campaigns change.
- Manage Google Ads accounts end to end, cutting spam and low-quality leads and improving click-through quality, then diagnosing on-site conversion issues to close the loop from click to lead.
- Architect CRM and marketing-automation systems in GoHighLevel and HubSpot that capture, tag, and route lead data from paid campaigns, including 20+ live automation workflows spanning lead capture through appointment booking and nurture.
- Track acquisition and conversion performance in GA4 and CRM analytics, building KPI dashboards and ROI reporting delivered directly to business owners.
- Conduct technical SEO audits using Screaming Frog for site-wide data pulls, implementing schema and structured-data fixes directly inside client CMS platforms.
- Hold Meta Ads certification and manage paid social alongside Google Ads and CRM tracking as part of full-funnel client campaigns.
