SUMMARY

Marketing strategist and seller with 15+ years across agency, MarTech, and B2B SaaS, building the proposals, messaging, and pitch materials behind real revenue and then taking them into the room. Has written proposals and statements of work in every sales role since 2018, ranked top three in sales at Accelo while quota doubled, and closed ~\$130K+ in new agency business at Fetch & Funnel. Writes across formats, from direct-response copy and landing pages to thought leadership and educational guides, and adapts one story for buyers, partners, and executives.
