SUMMARY

Senior account manager and agency strategist with 15+ years in client-facing marketing, SaaS, and agency roles. I've managed integrated programs across web, SEO, paid media, and content at Level Agency and Fetch & Funnel, led a team of up to 20 at Wix while managing a high-value account portfolio, and today own strategic client relationships at Solenzo. I'm hands-on across the stack (site builds, GA4, SEO, Google Ads), so I can read cross-channel performance data and explain it to an executive in plain language. I use AI daily to automate the routine work and spend the time on strategy.
