SUMMARY

Customer success and retention leader with 15+ years in B2B SaaS, focused on keeping SMB and mid-market customers through the moments that decide whether they stay. Retained all but one of 15-20 reseller partners at Birdeye (~94%) by catching adoption gaps early and turning partner feedback into product input. Led a team of up to 20 onboarding specialists at Wix for two years, hiring, training, and coaching to 110% of implementation targets. Builds AI-driven automation and clean CRM structures so a team spends its time on customers instead of admin, with hands-on Salesforce, HubSpot, and Zendesk experience.
