### SUMMARY

Customer-facing technical support professional with 15+ years troubleshooting SaaS platforms, translating complex issues into clear explanations, and closing the loop between customers and Product/Engineering teams. At Birdeye, guided 15-20 partner accounts through technical setup and configuration while sharing structured, high-priority customer feedback that informed the product roadmap, sustaining roughly 94% retention. At Wix, onboarded 25+ users monthly across a high-volume support and launch workload. Comfortable digging into a reported issue until the real cause surfaces, then explaining it simply to both the customer and the internal team who needs to fix it.

### PROFESSIONAL EXPERIENCE

#### Channel Partnerships & Customer Onboarding | **Birdeye**

Feb 2023 - Apr 2024

*Remote*

- Guided customers through complex technical setup and configuration of marketing-automation and reputation-management tools, resolving issues directly as their primary technical point of contact.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.
- Analyzed partner utilization and performance metrics to identify adoption gaps, trends, and at-risk accounts, recommending interventions that reduced churn.
- Developed scalable communication workflows and automated training sequences that reduced onboarding friction and support burden.
- Onboarded and managed 15-20 reseller partners (deal sizes ~\$10K-\$45K), retaining all but one (roughly 94% retention) during tenure.

#### Account Manager, Onboarding Launch Specialist & Team Lead | **Wix.com**

Aug 2020 - Aug 2022

*Remote*

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Guided client onboarding, workflow design, and technical setup, translating platform capabilities into plain-language guidance for non-technical users.
- Directly managed and developed a team of onboarding specialists, overseeing budgets, scope, and delivery for a high-value client portfolio.

#### Founder & Strategic / Marketing Operations Lead | **Solenzo LLC**

Feb 2024 - Present

*Arvada, CO (Remote)*

- Configure and troubleshoot CRM and automation systems (GoHighLevel, HubSpot) for B2B clients, resolving setup issues directly inside client platforms.
- Architect AI-driven systems and translate non-technical stakeholders' requests into precise, structured instructions the system can execute reliably.
- Write and publish educational guides and documentation tailored to client needs, translating technical concepts into plain language.

#### Account Executive / Client Strategist | **Level Agency**

Sep 2024 - Feb 2025

*Remote*

- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into clear recommendations for clients and internal teams.
- Held delivery quality consistent across implementations, resolving client feedback promptly to protect satisfaction and retention.

#### Account Executive | **Accelo**

Apr 2018 - Jul 2020

*Denver, CO*

- Guided client onboarding, workflow design, and API integrations, resolving technical challenges during setup and troubleshooting workflow issues.

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order.

## **Account Executive / Sales Operations | Fetch & Funnel**

Sep 2022 - Feb 2023

*Remote*

- Ran client accounts end to end at a performance marketing agency, covering campaign execution, performance reporting, and cross-team communication.
- Built and refined internal processes that improved reporting accuracy and reduced handoff errors.
