SUMMARY

Content marketer and copywriter with 15+ years in marketing, SaaS, and agency roles, writing hooks, captions, and direct-response copy that gets a specific reader to act. Grew Solenzo's audience through organic LinkedIn content, filling a free-audit funnel that enrolled 180+ businesses. Writes in distinct voices for multiple client brands at once without them bleeding together, and briefs work tightly enough that it ships right the first time. Uses AI writing tools daily and grades the output against a rubric, keeping what's usable and cutting what sounds generic. Reads performance data and turns it into the next test.
