

Joshua Rotenberg

Sales Engineer (Technical Pre-Sales) | Solutions Consulting, CRM Architecture & Applied AI Systems
Arvada, CO (Remote) • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Technical pre-sales and solutions professional with 15+ years translating complex software capabilities into business value for customers, including two years selling and scoping a CRM/PSA platform itself at Accelo and building sequenced implementation plans with cross-functional delivery teams. Hands-on with applied AI systems: designs, builds, and evaluates autonomous LLM-driven workflows and agent architectures for B2B clients at Solenzo, translating loosely-formed business requirements into working technical configurations. Comfortable running discovery, presenting solutions, and coordinating across Sales, Product, and Engineering to move opportunities forward.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable technical output.
- Architect and deploy autonomous, AI-driven marketing systems for service-based businesses, automating lead enrichment, outreach, and appointment booking.
- Break down manual workflows into agent architectures with custom logic that scores a business's digital footprint and generates hyper-personalized outreach.
- Own the primary strategic relationship for a portfolio of service-based businesses, running discovery and onboarding to surface goals, objectives, and technical requirements.
- Build reusable agent infrastructure and internal tooling integrating with client CRMs and CMS platforms for 24/7 automated systems.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations for internal and client teams.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Sold and onboarded partners on Birdeye's proprietary data-aggregator/listings-syndication solution, the backbone of the channel offer.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, covering campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices to improve client traffic and conversion.
- Labeled and defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture across the team.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.

Denver, CO

- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, and pipeline automation.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Guided onboarding alongside implementation teams, troubleshooting workflow design and resolving technical challenges during setup.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
