## SUMMARY

---

Onboarding and implementation lead who takes customers from signed contract to launch and keeps adoption moving after. At Birdeye I onboarded 15-20 reseller partners and made sure each one got its own end customers set up on our listings solution, then tracked utilization to catch slow adoption early; I retained all but one (~94%). At Wix I carried up to ~25 concurrent onboardings and launched 25+ clients per month at 110% of implementation targets. At Solenzo I build systems for electrical, plumbing, and HVAC businesses, the trades that make up a property manager's vendor list.
