SUMMARY

Customer-facing operations specialist with 15+ years owning technical onboarding, training, and account growth for B2B SaaS clients. Builds and documents the automation and AI-driven workflows behind client systems at Solenzo, using Claude Code, Python, and JavaScript in production automation platforms, and runs client workshops and consultative account reviews as a standing practice. Comfortable learning a new technical stack quickly and translating it for both engineering and business stakeholders.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Write Python and JavaScript inside custom code steps in Zapier, Make, and n8n to extend automation workflows beyond native point-and-click configuration.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable LLM output.
- Own the primary strategic relationship for a portfolio of service-based businesses, running discovery and onboarding to surface client goals, objectives, and market challenges.
- Architect and implement CRM systems in GoHighLevel (primary) and HubSpot — contact segmentation, lifecycle stages, and lead-routing logic, with strict data-hygiene protocols.
- Install and configure Google Tag Manager on every website built at Solenzo, and guided clients through GTM setup at Wix.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Led onboarding and training for a diverse, high-volume partner network, driving rapid adoption of marketing automation and reputation management solutions.
- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Onboarded and managed 15–20 reseller partners (deal sizes ~\$10K–\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 – Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, covering campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.
- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Built and launched e-commerce websites for established retail businesses adding a bigger online storefront as a secondary revenue line alongside their physical retail locations.
- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices to improve client traffic and conversion, including connecting and setting up clients' Google Business Profile alongside their site build.
- Directly managed and developed a team of onboarding specialists for 2 years — a team of 20, later a team of 8 — overseeing budgets, scope, and delivery for a high-value client portfolio.

Denver, CO

- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Built Zapier automations connecting Accelo's own CRM/PSA platform to other systems, starting a continuous automation-building track record that runs through today at Solenzo.
