

Joshua Aaron Rotenberg

Analytics & Optimization Specialist

Arvada, CO • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Analytics and optimization professional with 15+ years analyzing complex datasets, designing performance models, and translating data insights into measurable business impact. Expert in identifying optimization opportunities across systems and workflows, with a track record building automated analysis frameworks and performance-monitoring dashboards. Strong in hypothesis testing, process decomposition, and collaborative problem-solving across technical and non-technical teams.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Remote

- Architect performance dashboards and evaluation frameworks monitoring system outputs and conversion rates across multiple data sources, implementing iterative optimization loops to maximize accuracy and efficiency.
- Analyze complex operational and performance datasets, extracting actionable insights and structured recommendations that directly improve system performance, profitability, and operational scalability.
- Design and validate automated workflows using conditional logic and performance thresholds, decomposing manual processes into optimized systems with measurable KPI improvements.
- Build comprehensive performance tracking systems monitoring lead generation, funnel progression, acquisition costs, and conversion metrics; deliver data-driven reporting to executive leadership.
- Evaluate performance across multiple accounts and workflows using analytics platforms and custom measurement frameworks; apply quantitative testing and experimentation to drive continuous improvement.
- Provide regular performance reporting and strategic optimization recommendations based on rigorous tracking, statistical analysis, and quantitative measurement of operational and marketing metrics.

Account Executive / Client Strategist | Level Agency

Sep 2024 – Feb 2025

Remote

- Built rigorous campaign performance reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs; delivered optimization recommendations based on quantitative analysis.
- Analyzed performance data across digital channels using multiple analytics platforms, translating results into strategic insights and tactical improvements.
- Conducted A/B testing and performance optimization analysis, identifying efficiency improvements and recommending resource allocation strategies.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

San Francisco, CA

- Analyzed partner utilization and performance metrics to identify adoption gaps; quantified intervention impacts to reduce churn and improve efficiency.
- Developed automated workflows that reduced onboarding friction; measured and reported on performance improvements via structured data analysis.
- Evaluated feature usage patterns and customer adoption data, collaborating with Product and Engineering to prioritize roadmap based on quantified insights.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

San Francisco, CA

- Managed a diverse account portfolio across verticals, directly contributing to a 30% increase in website traffic and 25% improvement in conversion rates.
- Led digital growth consultations applying rigorous data analysis to optimize site architecture, inbound strategy, and conversion performance.
- Designed and implemented performance-tracking systems to measure client progress against KPIs; led team of onboarding specialists.

CORE COMPETENCIES

Analytics & Quantitative Methods: Performance Analysis, Data Dashboards & Reporting, Campaign Attribution, KPI Tracking & Optimization, ROI Analysis, Hypothesis Testing, Statistical Thinking, Quantitative Insights & Recommendations

Optimization & Systems Design: Process Decomposition, Workflow Automation, Computational Efficiency, Conversion Optimization, A/B Testing, Model Performance Monitoring, Iterative Improvement Frameworks

Technical & Programming: Python, SQL, GA4 Analytics, Google Analytics, Automation Scripting, Version Control Fundamentals, Data Visualization, CRM & Platform Architecture

Professional Competencies: Problem Solving & Decomposition, Technical Collaboration, Cross-functional Communication, Peer Review & Quality Assurance, Large Dataset Analysis, Documentation, Performance Benchmarking

EDUCATION

B.A. Liberal Arts, Minor in Political Science — Colorado State University, Fort Collins, CO

Google Digital Marketing & E-Commerce Professional Certificate — Google / Coursera (Issued Sept 2024)
