SUMMARY

Customer onboarding and implementation consultant with 15+ years in SaaS, MarTech, and agency environments, and 5+ years building CRM and marketing automation systems, including hands-on HubSpot client builds. Onboarded 25+ clients a month at Wix at 110% of implementation targets while leading a team of 8 to 20 specialists, and scoped CRM implementations and API integrations for C-suite buyers at Accelo. Today designs CRM architectures, integrations (Zapier, Make, n8n with custom Python/JavaScript steps), and AI-driven workflows for B2B clients, translating business goals into configurations that reach value fast.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present

Arvada, CO (Remote)

- Lead end-to-end onboarding for new technology stacks, running discovery with business owners, translating requirements into CRM configurations, and delivering hands-on training.
- Architect and implement CRM systems in HubSpot and GoHighLevel, including contact segmentation, lifecycle stages, lead routing, and strict data-hygiene protocols.
- Build integrations between client CRMs, CMS platforms, and third-party tools in Zapier, Make, and n8n, writing custom Python and JavaScript code steps for production workflows.
- Designed and deployed 20+ automation workflows spanning lead capture, qualification, booking, onboarding nurture, reactivation, and review generation.
- Translate non-technical stakeholders' goals into structured AI prompts and agent logic, and use AI tools daily to speed up audits, troubleshooting, and delivery.
- Identify expansion opportunities with existing clients, scoping complementary services tied to their growth objectives.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025

Remote

- Led multi-stakeholder client accounts across paid media, inbound, and content, coordinating execution across internal departments.
- Built reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, presenting recommendations and quarterly business reviews to client leadership.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024

Remote

- Led onboarding and training for a high-volume partner network, driving adoption of marketing automation and reputation management solutions.
- Guided customers through complex technical setup and configuration, including Birdeye's listings-syndication solution for every partner's end customers.
- Built scalable communication workflows and automated product-training sequences that reduced onboarding friction.
- Onboarded and managed 15-20 reseller partners (contracts ~\$10K-\$45K), retaining all but one (~94% retention).
- Fed structured, high-priority customer feedback to Product and Engineering to inform the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, managing pipeline in HubSpot and coordinating delivery across teams.
- Built internal processes that improved reporting accuracy and reduced handoff errors between client-facing and delivery teams.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022

Remote

- Onboarded and launched 25+ clients per month, holding 110% of implementation targets and 120% of sales targets.
- Led client launches as primary strategic contact, delivering on time and accelerating time-to-value.
- Led and developed a team of onboarding specialists for 2 years (a team of 20, later 8), overseeing scope and delivery for a high-value portfolio.
- Guided clients through technical setup including Google Tag Manager, Google Business Profile, and e-commerce builds.
- Labeled and defined the CRM fields for outbound sales and onboarding workflows, standardizing data capture across the team.
- Built team processes, hiring, onboarding, and training for a brand-new Wix vertical that grew from proof of concept to a profitable business line.

Account Executive | Accelo

Apr 2018 - Jul 2020

Denver, CO

- Sold and scoped CRM and project-management (PSA) implementations for agencies and professional-services firms, advising C-suite stakeholders on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute.
- Guided client onboarding, workflow design, and API integrations alongside implementation teams, resolving technical issues during setup.
- Ranked top three in sales on a team that grew from 8 to 15 reps, sustained while quota roughly doubled.
