SUMMARY

Partnerships and business development professional with 15+ years in B2B SaaS, MarTech, and agency environments. At Birdeye, onboarded and managed 15-20 reseller partners (deals ~\$10K-\$45K) and retained all but one, building the training and automated enablement sequences that got partners selling. Backed by a decade of full-cycle SaaS sales (top three on an 8-15 rep team at Accelo, selling CRM and integration-heavy software) and hands-on HubSpot pipeline discipline, so partner activity turns into tracked, forecastable revenue.
