SUMMARY

Technical pre-sales and solutions professional with 15+ years translating complex product capabilities into clear business value for B2B customers. Owns technical onboarding, API integrations, and CRM/workflow design directly with client teams, including C-suite stakeholders, and builds the kind of proof-of-concept tooling that lets a prospect see value fast, most recently a self-serve automation audit that enrolled 180+ businesses. Comfortable as the technical voice of the customer, coordinating across Sales, Product, and Engineering.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Built segmented cold-outreach engines plus an automated prospect "audit" workflow, a self-serve proof-of-concept tool that enrolled 180+ contacts, scoring each business's digital footprint to trigger personalized outreach.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable LLM output.
- Architect and implement CRM systems in GoHighLevel (primary) and HubSpot — contact segmentation, lifecycle stages, and lead-routing logic, with strict data-hygiene protocols.
- Own the primary strategic relationship for a portfolio of service-based businesses, running discovery and onboarding to surface client goals, objectives, and market challenges.
- Architect and deploy autonomous, AI-driven marketing systems for service-based businesses, primarily on GoHighLevel, automating lead enrichment, outreach, and appointment booking.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.
- Onboarded and managed 15–20 reseller partners (deal sizes ~\$10K–\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure, managing the pipeline and account records in Salesforce.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 – Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, coordinating campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.
- Analyzed campaign performance data and translated results into optimization recommendations across paid media and creative.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

Remote

- Advised on A/B testing strategy for a Salesforce-based workflow-automation effort, defining test structure and success criteria for the team building it.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Led digital growth consultations aligning site architecture, inbound marketing, and SEO best practices to improve client traffic and conversion.

Denver, CO

- Guided client onboarding, workflow design, and API integrations, including for a client in aircraft buying, selling, and storage, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, and pipeline automation.
- Guided onboarding alongside implementation teams, troubleshooting workflow design and resolving technical challenges during setup.
- Escalated issues to leadership early and mitigated account-level risk with direct strategic guidance.
