SUMMARY

Customer onboarding and implementation professional with 15+ years taking SaaS customers from kickoff to live, including launching 25+ clients per month at Wix while holding 120% of sales and 110% of implementation targets. Builds and ships AI-driven systems personally, architecting LLM-powered agent workflows and personalized outreach engines at Solenzo, the kind of product Distill builds for its own customers. Comfortable defining process from scratch in early-stage environments, having driven a new business vertical from proof of concept to a profitable line at Wix and founded and run Solenzo independently since 2024.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Own the primary strategic relationship for a portfolio of service-based businesses, running discovery and onboarding to surface client goals, objectives, and configuration requirements.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable output.
- Architected and deployed a complete marketing-automation system, 20+ workflows spanning lead capture/tagging/routing, lead qualification, appointment booking, onboarding nurture, and review generation.
- Built segmented outreach engines plus an automated prospect "audit" workflow that enrolled 180+ contacts, scoring each business's digital footprint to trigger personalized, research-driven outreach.
- Design self-improving loops and evaluation frameworks to monitor AI agent outputs and continuously optimize conversion rates.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Held delivery quality consistent across implementations, resolving client feedback promptly to protect satisfaction and retention.
- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Led onboarding and training for a diverse, high-volume partner network, driving rapid adoption of marketing automation and reputation management solutions.
- Developed scalable communication workflows and automated product-training sequences that reduced onboarding friction.
- Guided customers through complex technical setup and configuration of reputation and marketing automation tools.
- Onboarded and managed 15-20 reseller partners (deal sizes ~\$10K-\$45K), retaining all but one (~94% retention) during tenure.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Led onboarding and launch operations as team lead and primary strategic contact, delivering launches on time and accelerating time-to-value.

- Drove team initiatives and process improvements for a brand-new Wix vertical that went from proof of concept to a profitable business line, contributing to hiring, onboarding, and training of new hires and developing sales training for tenured account executives.
- Directly managed and developed a team of onboarding specialists for 2 years, a team of 20, later a team of 8, overseeing budgets, scope, and delivery for a high-value client portfolio.
- Managed a high-value account portfolio across diverse verticals, contributing to a 30% increase in website traffic and 25% improvement in conversion rates across the e-commerce segment.

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Guided onboarding alongside implementation teams, troubleshooting workflow design and resolving technical challenges during setup.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
