SUMMARY

Revenue operations professional with 15+ years building the pipeline, lead-routing, and reporting infrastructure that keeps B2B SaaS GTM engines running, with hands-on experience across Salesforce, Salesloft, ZoomInfo, and Gong, plus Zapier, Make, and n8n automation-building dating back to Accelo in 2018. Personally designs, builds, and deploys AI-driven workflows at Solenzo, not just directs others to, including a full lead capture-to-close automation system and a digital-footprint scoring engine that enrolled 180+ contacts. Comfortable owning day-to-day operational fundamentals while designing scalable processes that hold up as an organization grows, evidenced by driving a brand-new Wix vertical from proof of concept to a profitable business line.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Architected and deployed a complete GoHighLevel marketing-automation system, 20+ workflows spanning lead capture, tagging, and routing, lead qualification, appointment booking, no-show recovery, onboarding nurture, and review-generation sequences.
- Architect and implement complex CRM systems in GoHighLevel and HubSpot, including contact segmentation, lifecycle stages, and strict data-hygiene protocols.
- Built segmented outreach engines plus an automated prospect "audit" workflow that enrolled 180+ contacts, scoring each business's digital footprint to trigger personalized outreach.
- Design self-improving loops and evaluation frameworks to monitor AI agent outputs and continuously optimize conversion rates.
- Build performance dashboards tracking lead generation, funnel progression, campaign ROI, and pipeline velocity, delivering insights to executive leadership.
- Build reusable agent infrastructure and internal tooling in Make and n8n, integrating with client CRMs and CMS platforms for automated growth engines.
- Run up to 3 concurrent client engagements at a time while personally building and operating the outbound automation system, from strategy through hands-on execution.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Built rigorous campaign performance reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, delivering optimization recommendations and QBRs.
- Managed multi-stakeholder accounts across marketing and technology channels, translating performance data into strategic recommendations.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Analyzed partner utilization and performance metrics to identify adoption gaps and recommend interventions that reduced churn.
- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Built and refined internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Drove team initiatives and process improvements for a brand-new Wix vertical that went from proof of concept to a profitable business line, contributing to hiring, onboarding, and training of new hires and developing sales training for tenured account executives.
- Labeled and defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture across the team.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Directly managed and developed a team of onboarding specialists for 2 years, a team of 20, later a team of 8, overseeing budgets, scope, and delivery for a high-value client portfolio.

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Sold and scoped complex CRM and project-management software to agencies and professional-services firms, with deep fluency in sales enablement, contact management, pipeline automation, and forecast-stage tracking.
- Built Zapier automations to reduce manual work across the sales process, hands-on automation-building experience that predates Solenzo by several years.
- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
