SUMMARY

Operator who designs and ships AI agents and automated workflows, with 15+ years in SaaS onboarding, account management, and go-to-market. Breaks manual workflows into agent architectures with custom logic, builds evaluation rubrics to grade agent output, and writes Python and JavaScript in automation code steps. Onboarded 25+ customers a month at Wix and fed structured customer feedback to Product and Engineering at Birdeye, and thinks about product surfaces from first login onward, for both people and agents.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Break down manual workflows into agent architectures with custom logic that scores a business's digital footprint and generates personalized outreach.
- Design self-improving loops and rubric-based evaluation frameworks to monitor agent output and optimize conversion, performing the underlying data labeling personally.
- Translate non-technical stakeholders' loosely formed ideas into precise prompts and agent instructions, bridging business intent and reliable LLM output.
- Built and launched a free digital-footprint audit as a product-led top-of-funnel offer: 180+ businesses enrolled, 2 converted to paying clients.
- Architected 20+ GoHighLevel workflows spanning lead capture, qualification, booking, no-show recovery, onboarding, and reactivation, with Python and JavaScript code steps in Zapier, Make, and n8n.
- Build performance dashboards tracking funnel progression and conversion, instrumented with GA4 and Google Tag Manager; hand-code the company site in HTML/CSS.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Built campaign reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, and ran A/B-tested LinkedIn campaigns against highly researched audiences.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Collaborated with Product and Engineering to share structured, prioritized customer feedback that informed the roadmap.
- Analyzed partner utilization metrics to identify adoption gaps and recommend interventions that reduced churn, retaining ~94% of a 15-20 partner book.
- Built automated product-training sequences that reduced onboarding friction across a high-volume partner network.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Built internal processes that improved reporting accuracy, reduced handoff errors, and strengthened cross-team alignment.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Onboarded and launched 25+ customers per month, accelerating time-to-value and holding 110% of implementation targets.
- Advised on A/B testing strategy for a Salesforce workflow-automation effort, defining test structure and success criteria for the team building it.
- Drove process improvements for a new Wix vertical that went from proof of concept to a profitable business line, and led a team of onboarding specialists (20, later 8).

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Guided client onboarding, workflow design, and API integrations for a CRM/PSA platform, and built sequenced implementation plans ranking which systems to change and in what order.
