SUMMARY

Marketing manager with 15+ years running integrated B2B campaigns end to end, from audience segmentation and go-to-market planning through delivery and reporting. Built and managed a channel/reseller partner network at Birdeye (15-20 partners, ~94% retention) and now architects full-funnel marketing automation at Solenzo across GoHighLevel and HubSpot, with hands-on Salesforce experience from two prior SaaS roles. Comfortable running experimentation (A/B testing, CRO) and always-on lifecycle campaigns inside a matrixed, cross-functional environment.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Develop and execute full-lifecycle customer strategies spanning demand generation, sales CRM architecture, and customer success, demonstrating clear ROI and revenue growth.
- Architected and deployed a complete GoHighLevel marketing-automation system — 20+ workflows — spanning lead capture/tagging/routing, lead qualification, appointment booking with confirmation and reminders, no-show recovery, onboarding nurture, and long-term reactivation.
- Architect and implement CRM systems in GoHighLevel (primary) and HubSpot — contact segmentation, lifecycle stages, and lead-routing logic, with strict data-hygiene protocols.
- Build performance dashboards tracking lead generation, funnel progression, campaign ROI, and pipeline velocity, delivering insights to executive leadership.
- Optimized a client's Google Ads account — cut spam/low-quality leads and improved click-through quality — and diagnosed on-site CRO as the remaining conversion bottleneck, demonstrating full-funnel troubleshooting.

Account Executive / Client Strategist | Level Agency

Sep 2024 – Feb 2025

Remote

- Managed integrated digital marketing strategies across inbound, paid media, and content, acting as strategic lead and coordinating execution across internal departments.
- Designed and ran LinkedIn ad campaigns using an account-based-marketing approach, targeting small, highly researched audiences with A/B-tested setups rather than broad targeting.
- Built rigorous campaign performance reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, delivering optimization recommendations and QBRs.
- Produced high-converting campaign assets — landing pages, complex email sequences, conversion-focused copy — improving lead generation and pipeline.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Onboarded and managed 15–20 reseller partners (deal sizes ~\$10K–\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure.
- Led onboarding and training for a diverse, high-volume partner network, driving rapid adoption of marketing automation and reputation management solutions.
- Developed scalable communication workflows and automated product-training sequences that reduced onboarding friction.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 – Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, covering campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.
- Analyzed campaign performance data and translated results into optimization recommendations across paid media and creative.

Remote

- Managed a high-value account portfolio across diverse verticals, contributing to a 30% increase in website traffic and 25% improvement in conversion rates across the e-commerce segment.
- Advised on A/B testing strategy for a Salesforce-based workflow-automation effort, defining test structure and success criteria for the team building it.
- Labeled and defined the CRM fields required for outbound sales and onboarding workflows, standardizing data capture across the team.
