SUMMARY

Hands-on B2B marketer with 15+ years across SaaS, agency, and marketing operations, and 7 years in HubSpot. Plans and ships the work end to end: LinkedIn content and calendars, email and newsletter programs, segmentation and lead management, tracking, and the reporting that shows what to change. Grew Solenzo's audience through organic LinkedIn content into a free-audit funnel that enrolled 180+ businesses. Keeps multiple campaigns on schedule across creative, sales, and subject-matter teams, and translates technical material into content a busy expert will actually read.
