SUMMARY

Operations generalist who keeps leaders organized and work moving without supervision. I run my own consulting practice end to end, document every interaction, timeline, and deliverable, and write clear documentation and training material. At Wix I juggled up to 25 active launches at once on schedule, ran weekly team training, and helped hire and onboard new team members. Detail-driven, proactive, and organized under pressure.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Run all business operations for my own practice, from scheduling client meetings and tracking deadlines to documenting decisions and deliverables.
- Document every client interaction, timeline, and deliverable in HubSpot, GoHighLevel, and Notion, keeping records auditable across concurrent engagements.
- Write plain-language documentation and guides; published 18 articles for non-technical readers.
- Build reports and dashboards for regular review meetings, and validate every data import for accuracy.

Channel Partnerships & Customer Onboarding | Birdeye
