SUMMARY

Onboarding and partner-experience leader with 15+ years in SaaS, MarTech, and agency operations. Led a team of 20 (later 8) onboarding specialists at Wix while launching 25+ clients a month, and onboarded 15-20 reseller partners at Birdeye with ~94% retention. At Solenzo I build the full funnel for home-services businesses: paid acquisition, capture, qualification, scheduling with automated reminders, no-show recovery, and reactivation, measured stage by stage. That is the same machinery that moves an applicant to a first shift and keeps them coming back.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Architected a 20+ workflow automation system in GoHighLevel spanning lead capture, tagging and routing, qualification, booking with confirmations and reminders, no-show recovery, onboarding nurture, and long-term reactivation.
- Build dashboards tracking lead volume, conversion by funnel stage, campaign ROI, and pipeline velocity, using GA4, CRM analytics, and SQL, and report findings and recommendations to business owners on a regular cadence.
- Optimized a client's Google Ads account to cut spam and low-quality leads, then traced the remaining drop-off to on-site conversion, fixing the real bottleneck instead of adding spend.
- Build marketing-automation workflows for home-services trade businesses (electrical, plumbing, HVAC), fluent in how local service operations fill schedules and lose customers.
- Design evaluation loops that monitor automation and AI output against defined standards, catching broken steps before they cost a lead.
- Run a free audit offer as a top-of-funnel acquisition play: 180+ businesses enrolled, 2 converted to paying clients.
