Arvada, CO • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Implementation and account leader with 15+ years in B2B SaaS, owning customer relationships from signature through go-live, adoption, and expansion. Led an onboarding team of up to 20 at Wix while personally launching 25+ clients a month at 110% of implementation targets, and retained ~94% of a 15-20 partner reseller network at Birdeye. As founder of Solenzo, designs and tunes LLM-based agents and automation for home-services businesses (lead handling, booking, follow-up), evaluates AI output against rubric-based standards, and works directly in APIs, SQL, and code steps when an integration breaks. Equally comfortable in a C-suite review and a hands-on troubleshooting session.
