SUMMARY

Builder and systems architect with 15+ years translating ambiguous business and customer intent into shipped products and services. Architects AI-driven agent systems and automation products end to end for B2B clients at Solenzo, from requirements through design, launch, and iteration. Took a brand-new product line from proof of concept to a profitable business at Wix, building the team's confidence and shipping through genuine ambiguity. Moves fast between strategic thinking and hands-on execution, then iterates based on real customer feedback.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 – Present

Arvada, CO (Remote)

- Break down manual marketing workflows into agent architectures with custom logic that scores a business's digital footprint and generates hyper-personalized outreach.
- Translate non-technical stakeholders' generalized ideas and feedback into precise, structured AI prompts and agent instructions, acting as the bridge between business intent and reliable LLM output.
- Architect and deploy autonomous, AI-driven marketing systems for service-based businesses, primarily on GoHighLevel, automating lead enrichment, outreach, and appointment booking.
- Design self-improving loops and evaluation frameworks to monitor agent outputs and continuously optimize conversion rates.
- Configure and evaluate AI-generated response output for client automation systems, building rubric-based grading criteria and performing the underlying data labeling to keep outputs on standard.
- Architected and deployed a complete GoHighLevel marketing-automation system — 20+ workflows — spanning lead capture, qualification, appointment booking, no-show recovery, and lifecycle nurture.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 – Apr 2024

Remote

- Collaborated with Product and Engineering to share structured, high-priority customer feedback informing the roadmap.
- Onboarded and managed 15–20 reseller partners (deal sizes ~\$10K–\$45K, spanning health, home services, and retail verticals), retaining all but one (~94% retention) during tenure.
- Analyzed partner utilization and performance metrics to identify adoption gaps and recommend interventions that reduced churn.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 – Feb 2023

Remote

- Ran client accounts end to end at a performance marketing agency, coordinating campaign execution, performance reporting, and cross-team communication, managing workflows and tasks in ClickUp.
- Analyzed campaign performance data and translated results into optimization recommendations across paid media and creative.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 – Aug 2022

Remote

- Drove team initiatives and process improvements for a brand-new Wix vertical that went from proof of concept to a profitable business line, contributing to hiring, onboarding, and training of new hires and developing sales training for tenured account executives. (Corroborated by direct manager's written LinkedIn recommendation.)
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.
- Directly managed and developed a team of onboarding specialists for 2 years — a team of 20, later a team of 8 — overseeing budgets, scope, and delivery for a high-value client portfolio.
- Advised on A/B testing strategy for a Salesforce-based workflow-automation effort, defining test structure and success criteria for the team building it.

Denver, CO

- Built sequenced implementation plans for incoming clients, ranking which systems to change and in what order, and handed them to the implementation team to execute against.
- Guided client onboarding, workflow design, and API integrations, building relationships with C-Suite executives as a trusted advisor on operational system design.
- Advised clients on CRM adoption, building scalable operational systems aligned to their growth stage and team structure.
