

Joshua Rotenberg

Conversion & Growth Optimization Leader | Experimentation, Funnel Analytics & SEO

Arvada, CO (Remote) • 303-726-5037 • jrotnbrg@gmail.com • linkedin.com/in/joshua-rotenberg

SUMMARY

Growth and conversion operator with 15+ years across SaaS, MarTech, and agency environments, focused on the moment a visitor becomes a lead and a lead becomes a paying customer. Founder of Solenzo, where I build the full conversion layer myself: landing pages, first-party data capture, segmentation, triggered lifecycle journeys, technical SEO, and the GA4/GTM measurement that shows what is working. Earlier, at Wix, I led conversion-focused site consultations for a high-value e-commerce portfolio (25% conversion lift and 30% traffic growth across the segment) and ran a team of up to 20 onboarding specialists. I use AI daily as a working tool, not a talking point.

PROFESSIONAL EXPERIENCE

Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Built and run a free digital-footprint audit offer as a top-of-funnel registration play, distributed through my own LinkedIn growth: 180+ businesses enrolled, 2 converted to paying clients (~1.1% free-to-paid).
- Architected a 20+ workflow conversion and lifecycle system in GoHighLevel spanning lead capture, tagging and routing, qualification, booking with confirmations and reminders, no-show recovery, onboarding nurture, and reactivation.
- Design first-party data capture and segmentation (contact tagging, lifecycle stages, strict data hygiene) in GoHighLevel and HubSpot, feeding personalized outreach from scored behavioral and footprint signals.
- Optimized a client's Google Ads account to cut spam and low-quality leads, then diagnosed on-site CRO as the remaining conversion bottleneck, tracing the full funnel from click to lead.
- Run technical SEO audits, keyword gap analysis, and schema/structured-data implementation using Screaming Frog, and install Google Tag Manager and GA4 tracking directly in HTML/CSS on every site built.
- Build dashboards and evaluation loops tracking funnel progression, campaign ROI, and conversion rates, using SQL on BigQuery/GA4 data, and iterate on landing pages and copy from the results.

Account Executive / Client Strategist | Level Agency

Sep 2024 - Feb 2025 | Remote

- Designed and ran A/B-tested LinkedIn ad campaigns using an account-based approach, targeting small, highly researched audiences rather than broad segments.
- Produced conversion-focused landing pages, multi-touch email sequences, and campaign copy that improved lead generation and pipeline.
- Built campaign reporting frameworks tracking ROI, CAC, LTV, and conversion KPIs, and turned the data into optimization recommendations and QBRs.
- Coordinated integrated strategy across inbound, paid media, and content, aligning internal teams on a shared execution plan.

Channel Partnerships & Customer Onboarding | Birdeye

Feb 2023 - Apr 2024 | Remote

- Onboarded and managed 15-20 reseller partners (deals ~\$10K-\$45K) across health, home services, and retail, retaining all but one (~94% retention).
- Built automated product-training and communication sequences that reduced onboarding friction across the partner network.
- Analyzed partner utilization and performance data to find adoption gaps, and fed structured, prioritized customer feedback to Product and Engineering.

Account Executive / Sales Operations | Fetch & Funnel

Sep 2022 - Feb 2023 | Remote

- Analyzed paid media and creative performance data and translated results into optimization recommendations for client accounts.

- Led the sales team while carrying my own accounts, and rebuilt internal processes to improve reporting accuracy and reduce handoff errors.

Account Manager, Onboarding Launch Specialist & Team Lead | Wix.com

Aug 2020 - Aug 2022 | Remote

- Led digital growth consultations on site architecture, inbound marketing, and SEO for a high-value e-commerce portfolio, contributing to a 25% improvement in conversion rates and a 30% increase in website traffic across the segment.
- Advised on A/B testing strategy for a Salesforce-based workflow-automation effort, defining test structure and success criteria for the team building it.
- Managed and developed a team of onboarding specialists for 2 years (20, later 8), helping take a new Wix vertical from proof of concept to a profitable business line.
- Onboarded and launched 25+ clients per month, holding 120% of sales targets and 110% of implementation targets.

Account Executive | Accelo

Apr 2018 - Jul 2020 | Denver, CO

- Ranked top three in sales on a team that grew from 8 to 15 reps while quota roughly doubled, selling CRM and workflow-automation software to agencies and professional-services firms.
- Guided client onboarding, workflow design, and API integrations, and built Zapier automations connecting client systems.

CORE COMPETENCIES

Conversion & Experimentation: Conversion Rate Optimization, A/B Testing, Landing Page Optimization, Funnel Analysis, First-Party Data Capture

Analytics & Measurement: GA4, Google Tag Manager, Google Search Console, SQL (BigQuery/GA4), Power BI, Excel
