SUMMARY

Content-driven marketer and full-funnel growth builder with 15+ years across SaaS, MarTech, and agency environments, including 2+ years running marketing end-to-end as a solo founder. I write copy and narratives that turn complex ideas into messages ordinary readers act on, and I pair that with hands-on analytics to know what's actually working and cut what isn't. Comfortable owning a channel alone — no team, no handoffs — from first draft through the numbers that prove it worked.
