PROFESSIONAL EXPERIENCE

GoHighLevel CRM Architect — Founder & Strategic / Marketing Operations Lead | Solenzo LLC

Feb 2024 - Present | Arvada, CO (Remote)

- Architected a 20+ workflow GoHighLevel system: lead capture, tagging and routing, qualification, calendar booking with confirmations and reminders, no-show recovery, post-sale onboarding, nurture and reactivation, and automated review requests.
- Run discovery with business owners and sales teams, then design custom fields, segmentation, lifecycle stages, lead scoring, and pipelines to match each client's process.
- Integrate GoHighLevel with outside systems through Zapier, Make, n8n, webhooks, REST APIs, and OAuth/API-key credentials, including LLM API calls, and troubleshoot integration failures directly.
- Build email and SMS campaigns, and set up sending domains, SPF/DKIM/DMARC, and warm-up myself, holding deliverability above 99%.
- Import, validate, and clean client data across GoHighLevel, HubSpot, and Salesforce under strict data-hygiene standards.
